

Linda Randall Parish Clerk.

I moved to Thatcham in the 1970's from Tilehurst, and have lived in the area ever since. I now live on the edge of Cold Ash with my husband. In my spare time I enjoy walking, swimming, gardening and caravanning.

I started my working career at the Prudential Assurance in Reading in the 1970's, I worked there until I had my two children in the 1980's I took a career break to raise my children and started back at the AA as a call centre operator in the late 1980's from there I worked at Vodafone, as a personal assistant to the Sales Team, I was made redundant twice at Vodafone, once in 2006 and again in 2013. My two children are now married and I am lucky enough to have eight amazing grandchildren. I joined the Parish Council as Clerk in 2013 and I find it a very varied and rewarding job, working part time now enables me to help look after my grandchildren as well. The Parish Office is open, Tuesday, Wednesday, Thursday and Friday morning, for anyone to pop in for a chat. If I am not there during these times due to Parish business, please email or call and leave a message. I try my best to action any request as soon as I can. I find the residents of Cold Ash Parish very friendly and I enjoy working in the community.
